Availability

Our approach to availability is simple. We work with our customers to understand their requirements and establish competitive SLAs on the items they need the most. This customer-centric approach to availability means we have a constant supply of parts based on our anticipation of their requirements.

Technical Support

YinSu offer an unparalleled level of technical support. You can email us, or calling our technical support teams, you can make sure that you are able to access the information you need to optimise your parts purchase as much as possible.

90 Day Guarantee

Unlike many of our competitors, we are so sure of the quality of our products that we are able to offer a simple guarantee: If the quality of the parts we supply are not up to the high standards you expect, we will provide a credit note for the return amount with no questions asked.

Our service

1. Supply thousands of kinds of products including brands like Hyosung, NCR, DIEBOLD, HITACHI, FUJITSU, WINCOR and so forth.
2. Do OEM according to customers' needs.
3. Professional and quick online technical support and solutions.
4. After-sale service is reliable.
5. Prompt and on-time delivery.
