ATM Machine Sales

ATM service companies can achieve savings of up to 70% off the OEM's price by choosing to invest in one of tuohai remanufactured terminals. This is especially worthwhile when new technologies such as Intelligent Depository are not

required.

90 Day Guarantee

Unlike many of our competitors, we are so sure of the quality of our products that we are able to offer a simple guarantee: If the quality of the parts we supply are not up to the high standards you expect, we will provide a credit note for the return amount with no questions asked.

Our service

We can get lots of new original, refurbished and used ATM and parts for NCR, Diebold and Wincor. We also manufacture many kinds of equivalent ATM parts by our factory. The price of 'generic parts' or 'replacement parts' much cheaper than original parts but also with good quality.

Why you choose us?

1. More than 10 years of industry experience.
2. More than 10,000 ATM modules and 30,000 ATM parts products.
3. About 10,000 sq.m Factory Building.
4. Strict quality control and management, ensure our products to meet customers requirements.
5. Providing ATM solutions across thousands customers and covering many countries.
