ATM Parts Professional Manufacturer

Our company

Guangzhou SM International Trade Co., Ltd. was established in 2013. It is a professional service provider specializing in offering supporting parts for globally renowned ATM brands such as NCR, GRG, Wincor, Diebold, OKI, and Hitachi. In addition to its core component supply business, the company also simultaneously offers customized technical services and value-added solutions, fully responding to the diverse demands of its customers.

As a domestic ATM component supplier with a mature system, we have always adhered to the core principle of "quality first, customer supreme", and integrated product quality and customer satisfaction throughout the entire business process. Our business scope covers parts sales, daily equipment maintenance, professional fault repair, one-on-one technical consultation and OEM customized production, providing customers with one-stop and full-chain support. Relying on a professional technical team and an efficient supply chain system built based on the ERP system, we are always committed to providing stable, reliable and responsive high-quality services to global customers.

We always maintain an efficient response attitude, listening to your inquiries and needs at any time. Our professional team is on standby throughout the process, fully committed to providing you with solutions and service support that meet your expectations.
